RE: Customer Service

Dear Recruiter,

I was excited to learn about the Customer Service position with Bet365 posted on your company website and would greatly appreciate your considering my placement in this role. I've closely reviewed the needs and requirements for this role and believe that my qualifications have prepared me to contribute immediate value to your organization.

While in school, I worked hard to hone my discipline and focus skills. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying communication skills and my problem-solving abilities allow me to address challenges to achieve results.

My academic experiences have served me well in developing my collaboration, communication, and customer service skills. I work well to use clear and concise communication to interact professionally with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes which I believe will serve as an asset to support Bet365's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

I look forward to your reply.

Sincerely,

Paulo Henrique
